

**Competitive solutions with unparalleled service, provided by an experienced team of insurance professionals.**

Xenon Underwriting has a broad risk appetite, across all industry segments, with only limited declines.

We assess risks on an individual basis to ensure your client receives the right protection.

#### **Policy wording**

Broad form public and products liability wording with agreed extensions including:

- ✓ Financial loss (products only)
- ✓ Products recall expenses
- ✓ Statutory liability extension and others by negotiation

#### **Non-target occupations**

- Pubs, clubs, nightclubs, entertainment facilities
- Construction services
- Large electrical contractors
- Commercial plumbers and roofing contractors
- Accommodation and food services
- Churches & Religious organisations
- Childcare
